Thank you for your time

We will be in touch soon

Patient Information Leaflet

For confidentiality reasons we will be creating a separate SPPG database with the information you provide.

For more information please contact Fiona Vinnicombe at the Surgery
01736 793333 or Linda Petzing (Founder Member/Chair)

Would you like to join our Patient Participation Group?

Our Patient Participation Group (PPG) was formed early in 2012. It is run by a small Working Group of patients and supported by a Consultation Group; a larger number of patients who are representative of the surgery population. They meet every three months.

If you would like to get involved, please contact the Chair or Surgery PPG Lead for further details-see below. Spaces on the Consultation Group are limited to under-represented groups at present. We would welcome approaches from the following; 18-34 year olds, students, young families or ethnic groups other than White British/ Cornish. We would love to hear from any patient able to spare a few hours to help with tasks ranging from ambassador roles to administrative duties.

We also maintain a Virtual Group to ensure we include as many patients of the surgery as possible. Ideal, if you would like to be kept informed but are unable, or do not wish to attend meetings. Members of this group may also contribute by email. We encourage all our patients outside the face to face groups to consider joining, so that we may keep you updated on surgery developments and to enable us to contact you every now and again to ask a question or two.

Further information about the Group including meeting minutes and regular newsletters can be found on the Surgery website.
